

Elite continuity between cabinets, 1943-2026

Cabinet formed

- Pre-1957
- Bourguiba 1957-87
- Ben Ali 1987-2011
- 2011-2021
- Post-2021

56 cabinets, 439 pairs sharing at least one minister. Edge width is ministers in common; node size is cabinet size. The three most-connected cabinets are labelled. Drawn at the cabinet level because the 832-minister graph is an unreadable hairball.
